Our past charter guests have hired the City's most popular bands, from R&B to Jazz to Rock – and if a live band does not fit your budget, we can dock your iPod or load your CDs into our professional sound system, so your guests will enjoy your favorite tunes at no added cost to your charter. And for an added \$200 (for 3-hour cruise) one of our knowledgeable docents will provide narration, colorful anecdotes, and answers to questions your group might have.
